---

***Komoka Community Centre and  
Komoka Railway Museum.  
133 Queen Street, Komoka***

***Sunday  
June 28, 2009  
10 am to 4 pm***

### **Live Steam Locomotives:**

Feel the excitement as finely crafted live steam models move around a portable track the same way the real steam locomotives did.

### **Lots for the Kids:**

Games and projects for the children. It's a family outing, so enjoy all the displays, the human aspects of the railroad era, and other general interest items along with the entertainment specifically for children.

### **Hobby Show and Sale:**

Invitations have been sent for the sale and display of Railway memorabilia, Dolls, Model Trains, Wooden Toys, Miniatures, Farm Toys, Sports Cards, Circus Models, Die-cast Cars and Trucks, Model Planes, Boats, and Live steam models. Whatever your hobby interest is, you will probably find something here.

### **Museum Tours Included:**

View all the artifacts of past railroading including lamps, surveying instruments, tools for laying track, and even an original Shay steam locomotive.

### **Lunch and Refreshments:**

It's an all-day affair. Bring a lunch or buy lunch and refreshments at the Show. Eat at a picnic table in the open if the weather is fine.
